

SERVICES & PRICING AFTER LOCKDOWN

Our new normal...
For a little while at least...

As we re-open our salon doors for the first time after almost 4 months we have had to drastically change our working practices, pricing strategy and service menu.

There are several reasons for this, even down to the fact that we cannot be as productive during your colour development time because we can only work with one stylist per one client at a time. As hairdressers this is as unnatural as writing with your other hand!

So instead of frightening you with a major price hike to cover our costs, we have looked at ways in which we can add value to your appointment so that you are getting a little bit extra for these increased prices.

Bear in mind also, that this service menu will only be in place for your first appointment back. As you re-book your next appointment we will give you a guide as to what your bill would look like. This service menu is specific to services that would be required after 4 months of not being able to visit your stylist. As the weeks go on, our usual services will resume, but please bear with us. We are like fish out of water right now!

DURING LOCKDOWN WE HAVE...

... worked hard to improve ourselves as stylists and professionals within our industry. We have also completed additional training in sanitation and Covid-19 safety. So far we have completed the following:

- BARBICIDE CERTIFICATION
- PREVENT COVID-19 CERTIFICATION
- OLAPLEX CERTIFICATION
- CONTINUOUS PROFESSIONAL DEVELOPMENT IN CUTTING & COLOURING TECHNIQUES
- TRAINED IN A BRAND NEW HAIR EXTENSION METHOD

HOW TO BOOK AN APPOINTMENT

Our new normal...
For a little while at least...

Our online booking system is currently disabled to allow us to manage our working diaries better post-lockdown. We have to allow significantly more time per service, as well as cleaning, sanitation and PPE changes for stylist in between clients. We hope to re-open our online booking over the coming months once we have settled into a new routine, but for now we ask that you contact us directly to arrange a virtual consultation and to book your service. You can do this via social media, email or website currently. Our phone lines will not be manned until our first day back.

PLEASE NOTE: IF YOU ALREADY HAD AN APPOINTMENT BOOKED IN THAT WAS UNABLE TO GO AHEAD DUE TO LOCKDOWN, THEN YOU ARE ALREADY ON OUR PRIORITY BOOKING LIST. SIMILARLY, IF YOU HAVE ASKED TO JOIN OUR WAITING LIST WE HAVE ADDED YOU TO OUR SECOND LIST OF CLIENTS TO CONTACT. WE WILL ENDEAVOUR TO FIT AS MANY CLIENTS IN AS WE SAFELY CAN EACH DAY.

DEPOSITS WILL BE REQUIRED TO SECURE ALL BOOKINGS.

WE HAVE EXTENDED OUR OPENING HOURS
